

Site investigation works timing update

Site investigation works will continue until mid-November 2021

Site investigation works, to inform design of the new Mike Turtur Bikeway Overpass, are continuing within Forestville Reserve and Railway Terrace North (between Devon Street North and the rail corridor) **until mid-November 2021**, weather permitting. The works will occur Monday to Friday 7.30am to 5pm and involve the use of a truck mounted drilling rig.

Some temporary pedestrian and cyclist detours will be in place around the works site and pedestrians and cyclists are advised to follow directional signage. Please see the maps over the page for pedestrian and cyclist detours.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to nearby residents and businesses as much as practically possible.

Access to Goodwood Railway Station will be maintained at all times and there will be no change to public transport services.

Detours for pedestrians and cyclists

Detours for pedestrians and cyclists will be in place at times during the works.

Within the Forestville Reserve the works will initially require the closure of the pedestrian tram underpass near Goodwood Railway Station (stage 1).

Once the works are completed in the above location the pedestrian tram underpass near Brownhill Creek will be closed (stage 2). See map overleaf.

Please follow the directional signage on site.

Keeping the community informed

Project updates will be provided via email, as the works progress. To receive these updates, it is important that you register your contact details via the website: www.ptpa.com.au/miketurturoverpass

Visit the Mike Turtur Bikeway Overpass Project webpage for latest news and notifications as information becomes available throughout the duration of the project.

More information

If you have any questions or would like to speak to a member of the project team, please call 1300 705 992 or email mtbo@ptpa.com.au

Upcoming Community information sessions

You are invited to a Mike Turtur Bikeway Overpass Project drop-in community information session to:

- talk to the project team and ask any questions you may have about this update; and
- view the proposed concept plan and share your feedback.

When:

Tuesday, 30 November 2021, between 4.30pm and 6.30pm.

Saturday, 4 December 2021, between 9.30am and 11.30am.

Location: Forestville Reserve, Ethel St, Forestville SA 5035

Community information sessions will be managed in accordance with the latest COVID-19 advice from health authorities.
