

WORKS NOTIFICATION

OVINGHAM LEVEL CROSSING REMOVAL PROJECT

TORRENS ROAD AND CHIEF STREET, BROMPTON NOVEMBER 2021

Works are continuing in preparation for construction of the new link road, between Chief Street and Hayman Street, Brompton.

Location: demolition works are being undertaken at the eastern corner of Torrens Road and Chief Street. SA Water works are also underway along Torrens Road and will move to Chief Street, Brompton.

When: demolition works will continue between 7am and 5pm, Monday to Saturday. These works are planned to finish in late November 2021, weather permitting.

To minimise the impact to road users, the majority of SA Water works on Torrens Road and Chief Street will be carried out at night between 7pm and 6am, Sunday to Thursday. Day works will be required on Saturday, 20 December 2021. This stage of work is also planned to finish in late November 2021, weather permitting.

Traffic management and detours: to safety facilitate these works, some temporary road closures, lane closures and speed restrictions will be in place from Sunday, 14 November 2021. Detours will be in place to direct motorists as required (refer to maps overleaf). Please plan ahead, allow extra travel time and take extra care when workers are on site. Observe speed limits, lane restrictions and traffic controllers when travelling through the area.

Access to local businesses and residences in the area will be maintained during these works. **Please continue to support the local businesses.**

Adelaide Metro buses will be detoured at night during the temporary road closures. Signage is in place at bus stops to advise passengers of the detours. For further information regarding the detours, changes to bus stops and timetables please visit www.adelaidemetro.com.au

What you can expect: excavators, tippers, compaction equipment and lighting towers will be used during these works. Some noise disturbance can be expected at times while these works are completed, however, the works will be managed to minimise disruption as much as practically possible.

For more information

We appreciate your co-operation and patience while these important works are undertaken. Every effort will be made to minimise impacts to the community.
