

WORKS NOTIFICATION

OVINGHAM LEVEL CROSSING REMOVAL PROJECT

OVINGHAM RAILWAY STATION UPGRADE

JANUARY 2022

Together with the Station Refresh program being undertaken along the Gawler line, the Ovingham Railway Station is set to also be upgraded. The PTP Alliance will deliver the upgrade, as part of the Ovingham Level Crossing Removal Project.

What is being upgraded

The Ovingham Railway Station upgrade will refresh the station and improve the user experience and access. The upgrade will include:

- new shelters, seating and bins;
- upgraded fencing, platforms and access paths;
- upgraded communication equipment and lighting;
- new Closed-Circuit Television (CCTV); and
- landscaping and new on-street carparks along Devonport Terrace.

Timing of the works

Preliminary works have commenced, with the main station upgrade works to commence shortly in early February 2022. This will include the installation of temporary fencing around the area, clearing of vegetation and removal of existing furniture, fencing and access ramps. The station upgrade is expected to be complete in late 2022.

What to expect

Hours of work

The majority of works will be undertaken Monday to Saturday, from 6am to 6pm.

Some night and Sunday works will also be required. The PTP Alliance will provide advanced notice when this is planned.

Traffic changes

To safely facilitate these works, speed and parking restrictions will be in place along Devonport Terrace and Avenue Road, Ovingham. Some temporary road closures will also be required in this location. Advance notice will be provided if any temporary traffic diversions are required.

Access to properties will be maintained throughout the works wherever possible, with advance notice provided if there is a need to temporarily restrict driveway access.

Please observe speed limits and traffic controllers when travelling through the area.

OVINGHAM LEVEL CROSSING REMOVAL PROJECT

Public Transport

As part of works for the Gawler Rail Electrification Project, the Ovingham Railway Station is currently not operational.

There is no change to public transport services and substitute buses will continue to service the Gawler rail line. For further information regarding public transport, please visit www.adelaidemetro.com.au.

For further information regarding the Gawler Rail Electrification Project, please visit https://dpti.sa.gov.au/infrastructure/public_transport_projects.

Pedestrian and cyclist access changes

Some temporary pedestrian and cyclist detours will be in place around the works site and pedestrians and cyclists are advised to follow directional signage.

Noise and vibration

Excavators, tippers, compaction equipment and lighting towers will be used during these works.

Some noise disturbance can be expected at times while these works are completed.

The works will be managed to minimise disruption as much as practically possible.

For more information

If you have any questions, please phone the PTP Alliance on 1300 613 533 or email ovinghamcrossing@ptpa.com.au.
