

# NIGHT WORKS NOTIFICATION

## STAIRWELL CANOPY INSTALLATION

**Sunday, 14 June to Friday, 19 June 2020**

**Night and Early Morning Works**

As part of the Paradise Park 'n' Ride Project, stairwell canopies will be installed on the new car park deck.

In order to minimise impacts to road users and public transport within the O-Bahn, the works will be undertaken at night and during the early morning, from **Sunday, 14 June to Friday morning, 19 June, each day between 11.45pm to 7am**, weather permitting.

A large crane will lift the canopies onto the new car park deck, and you may notice increased truck movements in the area during the works.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as practically possible.

There will be no impact to local traffic as the works are being undertaken within the Interchange, however please take care when workers are on site when travelling through the area.

### COVID-19: An important message to our stakeholders

To continue to deliver these important infrastructure works and safeguard the workers and the community, we have implemented measures to manage our response to, and stop the spread of COVID-19.

Measures include increased hygiene requirements and implementing social distancing protocols both on site and in the project offices.

The Paradise Park 'n' Ride Project will continue to provide project updates and work notifications via social media, letterbox drops, emails and the project website.

### We would like to keep you informed

If you have any questions, would like to speak to a member of the project team or register for updates, please call 1300 794 880 or email [paradiseparknride@ptpa.com.au](mailto:paradiseparknride@ptpa.com.au)

Thank you for your patience and cooperation while these important works are undertaken.

Yours sincerely

Paradise Park 'n' Ride Project Team
