

SUNDAY WORKS NOTIFICATION

NEW BUS ENTRY OPENING

SUNDAY 16, FEBRUARY

As you are aware, the State Government is investing in a stronger public transport network and is committed to delivering increased connectivity, faster and more reliable travel options and increased use of public transport.

The new busway entry between Gameau Road and the Paradise Interchange is currently being constructed and is planned to be opened on Sunday, 16 February 2020, weather permitting.

Minor works including the realignment of fencing and barriers, are required to be undertaken **between 5am and 10am on Sunday, 16 February** to ensure the new access configuration is in place before bus services commence.

These works have been planned for a Sunday morning to minimise impacts on surrounding residents and bus services.

Every effort will be made to minimise noise and disruption to nearby residents during these works.

Activities

The relatively minimal impact work will include:

- Moving water barriers
- Adjusting fencing and signage
- Vehicle movements

Once works are complete and the new busway is operational, you may notice an increase in bus movements on Gameau Road as a result of the change in bus access and interchange facilities. If you have any questions in relation to these changes please contact the project team via the details below.

We would like to keep you informed

Regular communication is important to keep you up to date with works that may affect you. We also want to provide you with easy options for communicating with the project team to give your feedback or ask questions.

You can register for project updates by calling or emailing the project team or registering online using the contact details below.
