

SUNDAY WORKS NOTIFICATION

ELECTRICAL WORKS

SUNDAY, 8 MARCH

The State Government is investing in a stronger public transport network and is committed to delivering increased connectivity, faster and more reliable travel options and increased use of public transport.

In order to disconnect and reconnect electricity mains within the Paradise Interchange, early works are required to be undertaken from **4am to 9am on Sunday, 8 March**, weather permitting.

These minor works will be undertaken on the eastern side of the Paradise Interchange, and have been planned for a Sunday morning in order to avoid any impacts to bus services.

Power supply to residential properties will not be impacted by these works.

Every effort will be made to minimise noise and disruption for nearby residents, however some noise can be expected.

We would like to keep you informed

Regular communication is important to keep you up to date with works that may affect you. We also want to provide you with easy options for communicating with the project team to provide feedback or ask questions.

If you have any questions or would like to speak to a member of the project team, please call **1300 794 880** or email paradiseparknride@ptpa.com.au

Your patience and cooperation while these important works are undertaken is appreciated.

Yours sincerely
