

NIGHT WORKS NOTIFICATION

LED Light Pole Installation

Sunday, 12 July and Monday, 13 July 2020

Night and Early Morning Works

As part of the Paradise Park 'n' Ride Project, light poles are being installed around the new car park. The LED lighting will improve visibility and enhance night time safety in both car parks, and the surrounding area.

To minimise impacts to road and public transport users, the works will be undertaken **between midnight on Sunday, 12 July, and 7am Monday, 13 July**, weather permitting.

A large crane will lift the light poles into place, and you may notice increased truck movements in the area during the works.

Some noise disturbance can be expected at times while these works are completed, however the work will be managed to minimise disturbance to local residents as much as practically possible.

There will be no impact to local traffic as the works are being undertaken within the Interchange, however, please take care when workers are on site when travelling through the area.

We would like to keep you informed

If you have any questions, would like to speak to a member of the project team or register for updates, please call 1300 794 880 or email paradiseparknride@ptpa.com.au.

Thank you for your patience and cooperation while these important works are undertaken.

Yours sincerely
